PENANG 2030

AI HORIZON

BRIDGING THE AI DIVIDE ACROSS FUNCTIONS AND NATIONS

SOLUTION CHALLENGE 2026

SOLVE REAL INDUSTRY CHALLENGES WITH AI

BRIEFING DECK

6 OCTOBER 2026 (TUESDAY)

8:00 AM - 4:00 PM

PENANG WATERFRONT CONVENTION CENTRE (PWCC)

Competition Overview

The AI Horizon Solution Challenge 2026 is a real-world industry challenge where teams develop and present AI-powered solutions to address pressing industry problems. Each team selects one challenge track and delivers a complete solution from concept to working prototype.

Challenge 1 — Exabytes

Build an AI tool that empowers small and medium enterprises with data-driven growth strategies and digital transformation guidance.

Challenge 2 — NSW Automation

Develop an AI system that detects, diagnoses, and predicts dispensing defects in automated manufacturing environments.

Event Day Flow

Time	Activity
8:00 AM – 9:00 AM	Registration, & Booth Set up
9:00 AM – 12.00 PM	Judging Session Begins
12:00 PM – 1:00 PM	**Lunch Break**
1:00 PM – 2:30 PM	Judging Session Continue
2:30 PM – 3:00 PM	Closing Ceremony & Top 3 Announcement
3:00 PM – 4:00 PM	Networking & Pack-Up

10-Minute Judging Session

Judging Session: 9:00 AM – 12:00 PM

Industry Challenge

The AI Horizon Solution Challenge 2026 challenges participants to develop an AI-powered solution to address a real-world industry problem.

01 — DEVELOP

Create an AI-powered solution based on one official challenge.

02 — PRESENT

Explain the problem, solution and AI approach.

03 — DEMONSTRATE

Show how the prototype works.

04 — DEFEND

Answer questions from industry judges.

05 — SHOW IMPACT

Demonstrate the solution's value, feasibility and potential industry application.

Judging Criteria

Teams will be evaluated based on the official judging criteria. Posters, banners and creative displays are intended to support your solution and will not be assessed as a separate judging category.

Criteria	Weight
Industrial Problem-Solving Value	25%
AI Innovation & Technical Implementation	25%
Industry Impact & Feasibility	20%
User Experience & Solution Design	15%
Presentation & Demonstration	15%
TOTAL	**100%**

What Will Be Provided?

Organiser Will Provide

Furniture

- 1 Table (1.5m × 6m)
- 3 Chairs

Power Point

one power point per booth

🍱 Meals

Lunch

📜Certificate of Participation

- For all registered team members

What You Need to Bring

💻 TECHNICAL

- Laptop + charger
- Prototype / hardware
- Required cables & connectors
- Extension cord

ADDITIONAL SUPPORTING MATERIALS (OPTIONAL)

- A2 poster & poster stand
- Banner / streamer & stand
- Supporting visuals, props / mock-ups

📁 BACKUP

- Backup presentation & files
- Offline demo / video

Preparation & Important Reminders

Pre-Competition Checklist

- Laptop fully charged
- Software installed & tested
- Prototype tested & hardware functioning
- All files ready, cables & adapters packed
- A2 poster & poster stand prepared
- Banner / streamer prepared
- Display fits allocated area & materials secured
- Backup offline demo / video prepared

⚠️ Participant Responsibilities

- Arrive early for registration and setup.
- Be ready before your assigned judging time
- Keep your full session within the 10-minute allocation
- Ensure all team members understand the solution
- Only registered team members may participate in judging
- Keep your booth area clean and organised
- Keep displays within your allocated area
- Do not obstruct walkways or neighbouring teams
- Follow instructions from the organising team and venue management

⭐ **TEST EVERYTHING BEFORE THE COMPETITION.**
Prepare an offline demo / video in case of internet issues, software problems, or hardware failure.

Winner Prize

PRIZES

CHAMPION
RM5,000

1ST RUNNER-UP
RM1,000

2ND RUNNER-UP
RM500

*Subject to terms and conditions

THANK YOU
